

**JUDGES:** We will have a long list of judicial candidates to consider at our January meeting. Many of the candidates came or sent a surrogate to speak briefly about their background and philosophy at our December meeting. The YouTube video of that meeting can be found [by clicking here](#). For those candidates that appeared, the approximate time stamp of their appearance is listed below. Three of the candidates comprised the “Defenders of Justice” slate of public defenders who believe that there should be more defenders of the indigent on the County bench. Those three are indicated with an asterisk after their names. See: [www.TheDefendersofJusticeLA.com](http://www.TheDefendersofJusticeLA.com).
