General Meeting — 7p.m. Wednesday, January 9, 2019 Veterans Memorial Building, 4117 Overland Avenue Corner of Overland Avenue and Culver Boulevard MEETING PROGRAM: THE PROBLEM OF HOMELESSNESS

President's Message by Amy Cherness My last president's column

I want to thank all of the members of the Club for letting me represent you this year. It has been my pleasure to serve you as your president.

I want to first of all thank my husband, Darryl, and my daughter Isabell for helping me and being there for me. I really appreciate all of their support and love.

I also want to thank all of the members of the executive board that I have worked with. Andy, Craig, Cynthia, Shannon, Eric, Diane, Khin, Pete and Herb. All of you have been a big help to me and the Democratic party this year. I also want to thank people that helped me this year that are not on the board: Karim, Ronnie, and Tom.

As a club we have done a wonderful job this year by winning back the House. We mailed out over 8,000 slate mailers

to residents of Culver City and they voted overwhelmingly for our endorsed candidates and ballot propositions. We can all take pride in what we accomplished.

Another thing I want to do is thank all of the elected officials we helped endorse, and all of the members of our Club.

In conclusion, I look forward to the years to come for the Democratic party and our Club. I will still be on the executive board, and be very involved. I also look forward to working with all of you to regain the Senate and the White House in 2020. Working together I am confident that the Democratic Party will be victorious.

We need blankets, jackets and canned food to donate to the homeless at our January meeting.

Letter to the editor

There's an election in January??? Surprisingly YES!!!
On January 27, 2019, delegates to the California Democratic Party Convention and Regional Meetings will be chosen to represent the 54th Assembly District. Because these delegates vote to endorse candidates, resolutions, and ballot measures, it really matters who wins! If you are registered to vote in the 54th Assembly District, you can vote at Culver City Middle School between 2:45 p.m. and 4:45 p.m. Several members of our Club (including yours truly) will be running as a progressive slate. The slate includes: Tom Camarella, Steve Dunwoody, Greg Bartlett, Wayne Liebman, Phil Crabbe, Jeff Schwartz, Jose Luis Cazares, Claudia Vizcarra, Elina Antoniou, Leah Pressman, Jeanna Harris, Khin Khin Gyi, Shannon Theus, and Cynthia Hart. Please come to the January 9 Culver City Democratic Club meeting and vote to endorse our slate. Our slate has already been endorsed by Mayor Thomas Small, Vice-Mayor Meghan Sahli-Wells, and Councilmember Alex Fisch.

The Lunch will be held from 11:00 AM – 3:00 PM on Sunday, February 10, at the Courtyard by Marriott, 6333 Bristol Parkway, Culver City. I hope you and your friends are planning to attend.

This year we add our thanks to our 2018 Board and President Amy Cherness. Club members and Democratic supporters are encouraged to have their names and statements included in our Program Book. Human relations committee proposal to be voted on at City Council January 28

A proposal to create a Culver City Human Relations Committee (CCHRC) will be presented to the City Council on January 28, 2019.

A diverse work group comprised primarily of Culver City residents, including a past Culver City mayor, a Culver City Unified School District board member, Culver City High School students, local business professionals and educators has been brought together by Rebecca Rona and Rick Tuttle. They will address the City Council to promote the need for a committee dedicated to fostering positive human relations, civility, and compassion throughout the city.

The CCHRC will strive to collaborate, facilitate, inform, and encourage just and equitable behavior between our city staff and the public, and within our community. We expect that Rebecca Rona will speak at the next Club meeting on January 9 to provide further details.

Club members will be asked to support the CCHRC by endorsing the proposal. Additionally, if members are available to attend and are so inclined, the work group members would appreciate it if you join them that night, adding your voice and approval of the proposal before the City Council on January 28.
